STAY SAFE, STAY INDOORS

Dearest Parishioners,

I want to thank you for all your concern and prayers for one another during this difficult time of the coronavirus. The cancellation of public masses until further notice has been most challenging for all of us and I encourage everyone to join in spiritual communion with the faithful through live streaming masses on our website www.stclare-queens.org and also view the weekly bulletin or for any announcements and developments

Needless to say, the parish will be facing financial setbacks in the days ahead, and your weekly contributions are essential for the good of the parish. Your sacrificial giving is of great importance with meeting the cost of many parish programs, employee salaries and benefits, utilities, etc.

I ask for your help in this difficult time by mailing in or dropping off your weekly offering envelope at the parish office, (thank you to everyone who have already done so). Please prayerfully consider increasing your offering as it may take some time to recoup from this when the crisis is over. Please log onto our online giving website www.givecentral.org where you can make your Easter Offering and your weekly contribution. Thank you to everyone who has already signed up with **GIVE CENTRAL** . The first response to this new form of offertory has been very positive! In light of current events, and the absence of daily Mass and diminishing offering to the parish, this way of making regular contributions will be so important in the days and months ahead.

Your support is greatly needed and appreciated.

I again thank you for everything you do for us here at St. Clare.

*With Lots of Love,
Your Pastor
Father Andy*

THE NEW MISSION STATEMENT OF ST. CLARE PARISH

COME AND ENCOUNTER THE LIVING CHRIST WITH US

BASIC PROTECTIVE MEASURES AGAINST THE COVID-19

Wash your hands frequently

Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

Why? Washing your hands with soap & water or using alcohol-based gel rub kills viruses that may be on your hands

Maintain social distancing

Maintain at least 6 feet distance between yourself and anyone who is coughing or sneezing.

Why? When someone coughs or sneezes they spray small liquid droplets from their nose or mouth which may contain virus. If you are too close, you can breathe in the droplets, including the COVID-19 virus if the person coughing has the disease.

Avoid touching eyes, nose and mouth

Why? Hands touch many surfaces and can pick up viruses. Once contaminated, hands can transfer the virus to your eyes, nose or mouth. From there, the virus can enter your body and can make you sick.

Practice respiratory hygiene

Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

Why? Droplets spread virus. By following good respiratory hygiene you protect the people around you from viruses such as cold, flu and COVID-19.

If you have fever, cough and difficulty breathing, seek medical care early

Stay home if you feel unwell. If you have a fever, cough, difficulty breathing (as this may be due to a respiratory infection) even with mild symptoms such as a headache and slight runny nose, until you recover, seek medical attention promptly and call in advance. Follow the directions of your local health authority.

Why? National and local authorities will have the most up to date information on the situation in your area. Calling in advance will allow your health care provider to quickly direct you to the right health facility. **Avoiding contact with others, visits to medical facilities will allow these facilities to operate more effectively and help protect you and others from possible COVID-19 and other viruses. This will also protect you and help prevent spread of viruses and other infections.**

THE DIOCESE OF BROOKLYN CORONAVIRUS UPDATE

As a follow-up to the directive to suspend all Public Masses until further notice, the Most Reverend Nicholas DiMarzio, Bishop of Brooklyn, has issued a number of additional guidelines, governing the practice of the faith as a result of the Coronavirus outbreak, to all parishes throughout Brooklyn and Queens.

To comply with the government recommendation to avoid gatherings of 5 or more people, the following has been implemented in the Diocese of Brooklyn effective immediately:

The Mass of the Lord’s Supper (Holy Thursday), the Liturgy of the Lord’s Passion (Good Friday) the Easter Vigil and Easter Sunday, will not be celebrated publicly. A broadcast schedule of the services with no congregation, to air on NET-TV, the cable channel of the Diocese of Brooklyn, will be announced at a later date.

“In the days and weeks ahead, let us ask God to watch over the people of our Diocese and all of His people; those who are sick, those who will fall ill, and those who are caring for them,” said Bishop Nicholas DiMarzio.

At all times, but especially now, the safety and well-being of our faith community is our primary concern. The Diocese of Brooklyn will continue to deliver important information in a timely manner.

FAITH FORMATION
Very dear Families,

Fr Andy told us that we are journeying into the unknown as the Israelites of old who wandered for 40 years in the desert. We are like them with our present World health crisis. Let us pray during these times of not knowing for strength and guidance as we walk with Jesus to the Father empowered by the Holy Spirit.

Let us continue to strengthen one another in our faith by being formed by the Sunday Scripture. Let us continue to form our families, as we hand down our scripture and tradition . As the primary givers of the faith, you are called now, to take hold of your mission during this period of isolation.

Pflaum the publisher of our Gospel Weeklies has given us digital lessons to help us continue our **Faith Formation**. The televised Sunday Mass will be our foundation and the Gospel weeklies will continue the formation begun at Mass by explaining the scripture age appropriately.

The following links will give you Mass broadcasts and instructions as to how to use the weeklies. I have provided you with the password to get onto the website.

With the suspension of Public Masses until further notice, the Diocese of Brooklyn's cable channel, NET-TV, has added new services on Sunday and weekdays in multiple languages. The expanded lineup begins Sunday, March 22, 2020.

NET-TV can be seen in the New York City area on Spectrum (Channel 97), Optimum (Channel 30), and FIOS (Channel 48). The Masses can be accessed on our website <https://dioceseofbrooklyn.org/masses/>

Peace, Ms.Lorena

Prayer During A Pandemic

May we who are merely inconvenienced remember those whose lives are at stake. May we who have no risk factors remember those most vulnerable.

May we who have the luxury of working from home remember those who must choose between preserving their health or making their rent. May we who have the flexibility to care for our children when their schools close remember those who have no options. May we who have to cancel our trips remember those that have no place to go.

May we who are losing our margin money in the tumult of the economic market remember those who have no margin at all. May we who settle in for a quarantine at home remember those who have no home.

During this time when we cannot physically wrap our arms around each other, let us yet find ways to be the loving embrace of God to our neighbors.

The Sunday offertory is critical to the vitality of our parish. Not just to pay the bills that continue to accrue, but to sustain the life-giving works carried out each day by our dedicated personnel, devoted clergy, faithful lay leaders and also important to the financial health of our parish. We are pleased to announce that we now offer electronic giving through a simple tool that provides you with the opportunity to support the parish in a way that is convenient and secure, while remaining in the safety of your home.

Our new online giving partner is GiveCentral, and we want you to know that 100% of the donations you make through GiveCentral come to the parish. Donations can be made using a bank account or credit card, scheduled in advance to occur on a recurring basis, or as individual one-time gifts. With your first donation you can create a confidential username and password, allowing you to edit your donation schedule at any time. GiveCentral makes it easy for you to give.

Holy Virgin of Guadalupe

Queen of the Angels and Mother of the Americas. We fly to you today as your beloved children. We ask you to intercede for us with Your Son, as you did at the wedding in Cana.

Pray for us, loving Mother, and gain for our nation and world, and for all our families and loved ones, the protection of your holy angels, that we may be spared the worst of this illness.

For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust.

In this time of trial and testing, teach all of us in the Church to love one another and to be patient and kind. Help us to bring the peace of Jesus to our land and to our hearts.

We come to you with confidence, knowing that you truly are our compassionate mother, health of the sick and cause of our joy.

Shelter us under the mantle of your protection, keep us in the embrace of your arms, help us always to know the love of Your Son, Jesus. Amen.
